

Cummins now have Marine ReCon Engines.

If you're looking for more performance and reliability in your engine room, now is the time to consider a Cummins Marine ReCon Engine. Whether you want to exchange an existing Cummins engine or you're looking to repower your vessel with a genuine Cummins ReCon engine, we have a great range available. From 122 hp through to 450 hp every Cummins Marine ReCon engine offers you the following benefits:

- Fast turnaround with no machine shop delays or waiting for overhaul repairs
- Latest Cummins technology- factory remanufactured to the latest Cummins specs
- No-hassle core exchange with no disassembly and no "surprise" billbacks
- 2,000 hours or 24 months warranty coverage (whichever comes first)
- Cost includes Compulsory Cummins Sea Trial*.
